Respected and Esteemed Sir

The humble petitioner, Tiruvengadavarma who was an Assistant Master of the Taluk Branch Boys School at Hunsur, Kunigal Taluk and now unjustly thrown out of service most respectfully begs to bring the following few facts to your Honor's kind consideration and favorable judgement

The humble petitioner first applied for five days' casual leave on 28-8-05 and again on 3-9-05 for one month on urgent private affairs including the period of the casual leave but, before the expiration of this period of leave his circumstances took a strange and serious turn His wife fell dangerously ill and breathed her last after having brought forth a child Then the petitioner himself became the sole nurse for the child for only 15 days & to secure domestic felicity he had to seek for a second marriage for which he had to travel over "malnad" and other countries in search of a bride Then the privations of his long journey brought on him severe illness from which it took him a long time to recover Owing to all these unforeseen and inevitable circumstances he had to apply for the extention of the leave several times each time applying for leave a little before the expiration the previous period he had applied for, quoting reasons for it (The petitioner has attached a list showing the dates on which he applied for leaves for your honors kind perusal)

For the last time he on 10-11-07 he absolu

to the Assistant Deputy Inspector praying for a further extention of leave till the 25th of January 1908 when he would be able to attend to his duty But, 15-12-07 he was given an endorsement on the same application to the effect that his services were dispensed with He, then, immediately applied to the Deputy Inspector requesting to be informed on what grounds his services were dispensed with He was informed that as he did not report himself for duty on the due date, though a notice was issued to him to that effect, his services were dispensed with The petitioner begs to state that under the Supposition that the notice referred to above has been served on him, his sick has been taken But, the notice in Question never reached him as he was journeying from one place to another in "malnad" countries Truly, he never received the notice, if, otherwise he had little objection to communicate to his officer, either in person or in writing the inconveniences he suffered, in reply to it

This is the only offence, (if it were an offence) he ever committed as a school master Besides, he was known to be well behaved, obedient and painstaking teacher

The petitioner applied to the Deputy Inspector for a second time to re-consider his case, as the notice he referred to was not received by him and to show him justice This — humble application for justice was not heard of Then, he appealed to Inspector General of Education, twice, praying for his re-instatement as it was unjust to throw him out of service on the mere score that he did not report himself, for duty, on the notice which was said to have been issued to him, but which he never received To these, he was replied on 1-4-09 and 2-8-09 that he could not be given his place again

Then again on 15-9-09 he applied to the Inspector General of Education requesting to be informed of the grounds that led to his unjust dismissal, so that he might be enabled to seek for justice at a higher Tribunal — namely your Honor To this also he received the same reply, that "his prayer for reinstatement in the Educational Department cannot be granted & that his further petitions will not receive any attention in this Office

Now, therefore, the petitioner most respectfully prays that your Honor will be kind enough to call for the records that lead to his unjust dismissal, from the Inspector General of Education and after a kind perusal of the case will kindly shew the petitioner justice for which he earnestly prays The petitioner also requests to be informed of the date of hearing of the case so that he may be enabled to appear before your Honor to elucidate his explanation For which act of kindness & charity, he remains ever grateful

The petitioner begs to remain

SIR,

With reference to your office memorandum No 4826/Edn-194-09-2 dated the 4th instant, forwarding for report petition dated the 25th November 1909 from Iruvengadiah of Kunigal, stating that he was unjustly removed from Service for overstaying leave and praying for reinstatement, I have the honour to inform you that Iruvengadiah was first appointed a teacher on Rs 7 in the Village Elementary School at Tovinakere in Maddagiri Taluk in July 1903 He was abo

25 Months in service when he absented himself contemnously for 13 months on leave, of which the first instalment of five days' casual leave was granted to him from 28th August 1905, and the last instalment of leave without allowances for three months was granted to him from 1st July 1906 He did not return to duty at the end of his leave but persisted in applying for more leave which was refused. He was however given time to rejoin duty till the 15th March 1907 and was warned that if he failed to do so, he would be considered to have resigned his post The warning had no effect and he again applied for more leave, when the Deputy Inspector recommended to the Circle Inspector that the teacher might be considered to have resigned his appointment In his No 1856/464 dated the 10th October 1907 the latter officer recommended his dismissal for long absence without permission and disobedience to orders directing him to join duty, and the services of Tirunangadiah were dispensed with by the Inspector General on the 14th idem A copy of the docket from the Deputy Inspector to the Circle Inspector reporting in detail the circumstances which led to the removal of Tirunangadiah is forwarded and Tirunangadiah's pet-

is returned herewith —

for leave up to the end of December 1906 and that he could not return to duty owing to illness - He was asked in this Office No 892 of 2-1-1907 as to why his service should not be dispensed with for his absence without leave from 1-10-06 without even furnishing any hint of his whereabouts, or of his address to this Office for over 2½ months - In his report of 20-1-07 he stated again that he could not join duty owing to some illness and that he should be granted leave upto the end of June 1907 - He was then strictly informed, in this Office No 1108 of 18-2-07, that no further extension of leave could be granted to him, as he had already been absent from duty from 28-8-05 and that he would be considered to have resigned his appointment, if he did not return to duty on, or before the 15th March 1907 - He did not return to duty - In his report bearing this Office Register No 480 of 4-9-07, he has applied for a further extension of six months' leave from 24-8-07

Respected Sir,

The humble petition of the above named
Honor on 25/4/09 states that he had filed an appeal in
the office of the Inspector General of Education against the
decision of the Inspector of Schools in the Tumkur Distt
who with a view to do petitioner some harm, had unjustly
dismissed him from service, & that as he did not
receive a just reply to his appeal from the Inspector General
of Education, who, perhaps for want of time to investigate
and enquire into the matter sufficiently & patiently had confirmed
the, merely on the report of the D/ Inspector, he had
brought justice at your Honors hands & requests your Honor
to kindly send for and peruse & decide the original records
that are in file in his office so that he hoped to get
justice from your Honor

As the petitioner has long since been labouring
under grave disappointments, he earnestly prays that your
Honor who is ever ready & accessible to such unprotected & helpless
people as he, will be kind & good enough to judge, after perusing
the records in the matter under what adverse circumstances
his services were dispensed with? whether the bottomless decision
of the Inspector General of Education is just & reasonable & if your
Honor be satisfied that the decision of the Inspector General
of Education is groundless, the petitioner most earnestly prays
that your Honor may be pleased to order that he may
be reinstated in his place as school master

For which act of kindness, he shall ever
